Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

<https://eprocure.gov.in/eprocure/app>.

REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link **“Online bidder Enrollment”** on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC /e-Token.

SEARCHING FOR DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents/ tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1. Bidder should consider any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
4. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys.
5. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
6. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
7. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.

AGREEMENT

The agreement made this day of _____ 20 _____ between the Employees' State Insurance Corporation having their _____ (hereinafter called the first party of the one part and M/s _____ having their registered office at _____ (hereinafter called the second party of the other part).

Whether the first party have desired to get Repairs and Maintenance of the immovable properties owned by the ESI Corporation in the State of _____ done by the second party.

Now, therefore, this agreement sets out the terms and conditions for execution of Repairs and Maintenance of the properties as mentioned above and for making funds available for the same.

The first party agrees to entrust the repair and maintenance work of its various immovable properties, as may be indicated from time to time in the state of _____ to the second party and the second party agrees to execute the work of Repair and Maintenance and Special Repairs, if any, required for those properties on the terms and conditions as set out here under :-

1. The Second party will set up a separate wing in their organisation having both civil as well as Electrical units under one single authority to exclusively look after the Repair and Maintenance work of ESIC properties. The officer in – charge of this wing will be responsible for ensuring effective and proper Repairs & Maintenance of both civil as well as Electrical works. The estimates will also be submitted in respect of both civil as well as electrical works simultaneously indicating the items required to be executed under the two heads namely Electrical and civil separately.
2. The Second party shall prepare the estimate for Annual Repair and Maintenance requirements for each property (or a group of properties if so desired by the first party) separately within the rates approved by the first party and submit the same to the Regional director, ESI Corporation, _____ latest by _____ every year, indicating the specific items of work to be done by the second party in a particular year, in consultation with the Custodian / Occupier of the concerned property / properties.

3. The first party shall release initial deposit @ 30 % of the estimated amount required for Annual Repairs and Maintenance to the second party after sanctioning of the estimate. The remaining amount of the estimate will be released only after receipt of the Expenditure Statements of the previous sanctions duly signed by the Accounts Officer and the Officer In – Charge of the Maintenance wing, created by the second party for this work, accompanied by a certificate from the Occupier / Custodian of the property certifying satisfactory completion of the works done by the second party.
4. Though the norms of expenditure on Annual Repairs & Maintenance of the projects are based on the plinth areas and though the estimates are to be prepared accordingly, the funds released against the estimate shall also be utilized for maintaining external services of the concerned property / properties. However, in some cases of major external services where it is not possible to meet the expenditure on such external services from the plinth area norms of the buildings, a separate estimate for external services shall be prepared and submitted giving full justification for the need for framing such separate estimate. Funds shall be released against such estimate only if the first party is satisfied with the justification given by the second party.
5. The estimate for maintenance of electric installations, like water pumping system, Air – conditioning equipment's, lifts, etc. would be framed on the basis of assessment of actual requirement. The actual requirement shall be supported with details of the labour and items for which the funds are required.
6. The periodicity of attending the different items of work will normally be as specified in the bid document unless otherwise ordered by the first party.
7. The second party or its authorised representative shall inspect each of the properties under its care and suggest means for proper maintenance of the property. This inspection should be completed within 3 months of the taking over of the property.
8. The second party shall assist the first party in taking over the possession of the properties inter – alia from the previous agency and advise the first party on structural stability and other engineering aspects and take over possession of the same immediately with all inventory, etc.
9. The second party shall make immediate arrangements for deployment of manpower for Civil related works like plumbing, masonry, etc., Horticulture / Landscaping works and operation of various Electric installations, pumps, etc.
10. The Replacement of Consumables like Bulbs, Tube-lights etc. shall be limited to areas of Office Buildings, Hospital Buildings, Public area of Staff Quarters only. Procurement

of these type of consumables inside the staff quarters shall be done by the allottee himself.

11. The expenditure incurred by the second party on account of the fee payable for Mandatory inspection of installation by the Civil Agencies and the Taxes levied by the Local Bodies will be outside the estimates for Annual Repairs and Maintenance and separate Bill shall be submitted for the same.
12. At the conclusion of the Financial Year, the second party shall submit the expenditure statement of the funds sanctioned and released to them for each of the properties (or group of properties as the case may be) separately duly signed by two officers viz. the Accounts Officer / Competent Authority of Accounts Department and the Officer in – charge of the maintenance wing created for this purpose by the second party, along with a certificate of satisfactory completion of the work from the Custodian of the project.
13. At the commencement of the year, the second party or its representative, along with the Custodian, will inspect the property, identify the Repairs and Maintenance needed and accord priority to the various items of works to be attended to during the year and completed and the second party, as far as practicable shall strictly adhere to the priorities so fixed by the Occupier / Regional Director, ESI Corporation.
14. The work of essential Repair and Maintenance and operation of essential services shall under no circumstances be held up for temporary delay in release of funds.
15. For each of the properties (or a group of properties so approved by the first party), the second party or its representatives shall maintain a Complaint Book at the service Centre and all complaints will be got entered in the said book which shall be periodically seen by the Officers of the second party and as soon as the work is completed, suitable remarks shall be given in the Register. This Register should also be periodically seen by the Senior Officer of the second party and signed in taken of having seen the same. The book shall also be available for scrutiny of the Regional Director of the first party and / or the Occupier of the property and of their representatives.
16. The second party shall abide by the scheduled Rates as fixed by the first party from time to time for various cities.
17. The second party shall be responsible for ensuring compliance with the various Labour laws that may be in force from time to time. Any liability on account of this and also any liability arising from non – observance of the same shall be met by the second party at its risk and cost.

The wages of the deployed labour falling under plinth area rates and manpower engaged for operating and maintenance of equipment's shall be governed by Minimum Wages Act along with the statutory provisions (like PF, ESI, etc. and other prevalent / mandatory regulations of the concerned State / UT). Monthly statement of the compliance made on ESI/EPF, Labour laws, other Statutory compliances etc. along with the supporting documents shall be submitted to the Regional Director without fail by the maintenance agency.

18. The Construction Agency shall be solely responsible for ensuring compliance with the various Labour Laws that may be in force from time to time. Any liability on this account and also any liability arising from non – observance of the same shall be met by the Construction Agency at its risk and cost. It has to be ensured that the Construction Agency registers themselves as Principal Employers for necessary compliance with the provision of Contract Labour (Regulation & Abolition) Act, 1970 etc. as applicable.
19. GST / Labour Cess etc. if it becomes applicable on Centage / Departmental Charges subsequent to date of signing of agreement in case of the categorization/change in rates of ARM work as a “Service” by Central / State Govt. shall be first paid by the Construction Agency which shall then be reimbursed/paid as per actual without any Departmental Charges.
20. The second party shall also register themselves as Principal Employer for necessary compliance with the provision of Contract Labour (Regulation & Abolition) Act, 1970 as applicable.
21. In case of the unsatisfactory performance of the second party during the financial year, notice will be served for termination of the Agreement / MoU shall be taken up as per the clauses of the agreement by forfeiting the Performance Guarantee and the new Agency will be fixed at the risk & cost of the second party.
22. The first party can withdraw the work from the second party at any time after giving three months' notice without assigning any reason thereof and if the second party wishes to discontinue the work of the Repair and Maintenance, the second party shall give three months' notice of their intention to discontinue the work. In such an event, the first party will not accept any liability on account of workers engaged by the second party and on any other account.

23. Redressal of Disputes

Any dispute and differences relating to the meaning of the specifications designs, drawings and instructions herein before mentioned and as to the quality of workmanship of materials used in the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions or these conditions or otherwise

concerning the works or the execution or failure to execute the same whether arising during the progress of work or after the completion or abandonment thereof in respect of which, both the parties shall use their best efforts to settle amicably all disputes arising out of or in connection this contract or the interpretation thereof :-

Amicable settlement has not been reached. The dispute shall be referred to the sole decision of the Chief Engineer, ESIC whose decision shall be binding on both the parties.

In case of dispute still persisting, the matter will be referred for settlement as per Govt. India Guidelines issued vide O.M. No. 4(1)/2013-DPE(GM)/FTS-1835 dated 22.05.2018 (as updated or latest amended) on administrative mechanism for resolution of CPSE disputes, through DG, ESIC.
