

भारतीय राष्ट्रीय उपभोक्ता सँहकारी संघ मर्यादित

(उपभोक्ता मामले, खाद्य एवं सार्वजनिक
वितरण मंत्रालय, के अन्तर्गत भारत सरकार)

National Cooperative Consumers' Federation of India Ltd.

(Under M/O Consumer's Affair, Food and
Public Distribution, Government of India)

Tender for the empanelment of Rice Millers to provide services encompassing sorting, grading, handling, transportation, packaging in 5 kg and 10 kg bags and for retailing to end consumers. The required services extend from FCI godown to the mill within a radius of 100 km, ensuring the delivery of quality products in accordance with FSSAI specifications.

Eligibility Criteria:

To be eligible for empanelment, the prospective vendors must meet the following criteria:

- The vendor must be a registered and licensed mill.
- The vendor should have an experience in the production and supply of rice.
- The vendor must comply with all applicable food safety and quality standards.
- The vendor should have the capacity to supply **25** metric tons of rice per day.
- The vendor should provide an undertaking letter confirming the milling capacity and a commitment to offering priority and the best offer to NCCF in future tenders.
- The vendor must provide all the necessary documents pertaining to their firm.
- Millers and mills should not be blacklisted from any govt. agencies/departments/govt. bodies.
- The vendor should express a willingness to supply products all over India or in any preferred states at the best rates.
- The vendor will be registered zone-wise according to their milling setup in any of the zones (East, West, North, South, Central).
- The vendor must provide a self-declaration stating that "all the documents and undertaking letters are authenticated, and in case of any defaults found in the future regarding the same, the vendor is responsible. All documents should be signed and stamped by an authorized signatory".

Scope of Work:

The empaneled Rice miller will be required to:

- Supply specified quantities of rice as per the order.
- Ensure quality control measures in the production process.
- Comply with packaging and labelling standards.
- Adhere to delivery schedules.
